

# Memorial Park Mt. Bike Trails

Memorial's trail system is the premier Mt. Bike park in the Midwest! Trails range from moderate double-track to technical singletrack. Home of the "Muddy River Rock & Roll" MNSCS race, the course's sections are named after classic tunes. Please ride "clockwise". Map numbers correspond with signs on the trail.

**Getting There:** The entrance to Memorial Park is located off East 7th Street. Drive to the top. Pass the overlooks. Veer right to parking in lower quarry. For a more challenging ride, take the "Cow Path" to the top off of Bluff Street downtown.
